

Ezzy Legacy

David Ezzy's design goal with the legacy was to develop a pure and simple sail while at the same time retaining the performance and durability that he demands in a sail. By removing some of the extra features present on our premier sails, the legacy is sure to fit anyone's budget. The smaller Legacy's are wave designs, while the larger sizes are freeride.

The legacy tack fitting uses a removable D-ring, that can be replaced with our premier pulley. Optional mast pad, batten tensioner key and head extender can be purchased from our dealers or our web site.

Size (sq.m.)	Luff		Boom		No. of Battens	Suggested Mast	Suggested Use
	min	max	min	max			
4.2	378	380	149	157	5	370/27/17	wave
4.7	402	404	157	165	5	400/25/19	wave
5.2	421	423	165	173	5	400/25/19	wave
5.8	441	443	171	178	5	430/25/21	wave/freeride
6.5	452	455	189	198	6	430/25/21	freeride
7.5	475	478	202	212	6	460/25/25	freeride
