

2014 Elite

- 4 batten, light-weight wave sail.
- Designed for on-shore and side-shore waves, as well as flat water.
- Super balanced and stable.
- Wide wind range, so fewer sails are needed in your quiver.
- Calibrated rigging system makes setting the downhaul a no-brainer.
- New printed downhaul indicators for rigging non-Ezzy masts.
- Bulletproof construction.
- We have added a 3.4 and 6.1 to the 2014 Elite sizing.
- Every Elite is rigged and thoroughly inspected in our factory.
