

## Ezzy Tiger

Last years 5 batten Tiger moves forward into '14 completely unchanged. The Tiger comes with color fusion film, a beautiful graphic layout, and both our Calibrated Downhaul System and our standard leech downhaul gauges.

The Tiger has been designed to fit a wide range of masts, and most importantly, it comes with a tested and proven design that is sure to please the more traditional sailor looking for the classic power, stability, and durability of an Ezzy sail.
