

EZZY Kid's Rig

Endo-batten seam construction with REAL seam shaping sets an exact profile in the sail.

The 2.0 and 2.5 main sail body is dacron.

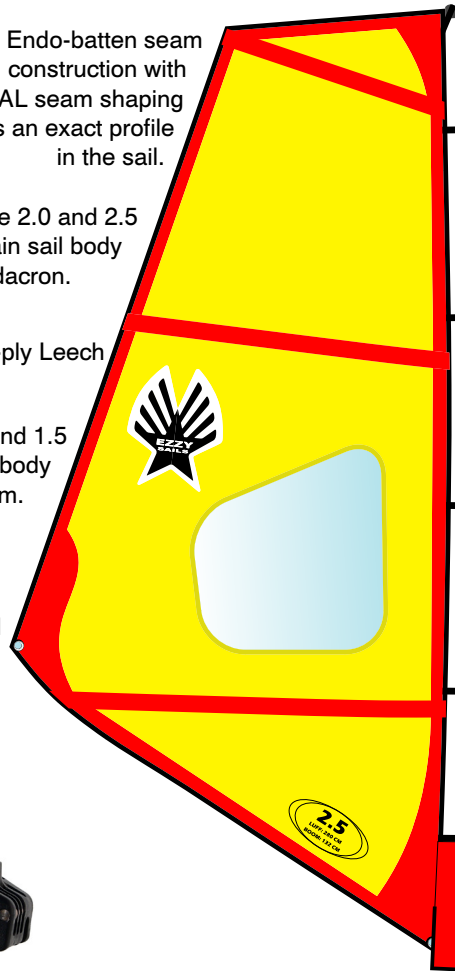

Two-ply Leech

The 1.0 and 1.5 main sail body is monofilm.

Reinforced grommets

Fixed head cap

Webbing loops instead of a mast sleeve makes it easy to uphaul.

Built in mast pad

Small grip, adjustable boom, fits 1.0 to 2.5. Uphaul included

adjustable, 2 piece aluminum mast

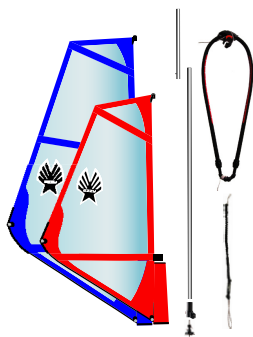

Spin-on universal with Euro-pin, tendon joint and rope leash.

Base cup with Euro-pin quick release.
